## Laporan Instalasi Astah UML

### Langkah Langkah instalisasi

1. Buka google ketik “ astah.net” kemudian klik bagian download yang berada pada bagian kanan

2. Lihat bagian bawah untuk memilih versi STUDENT

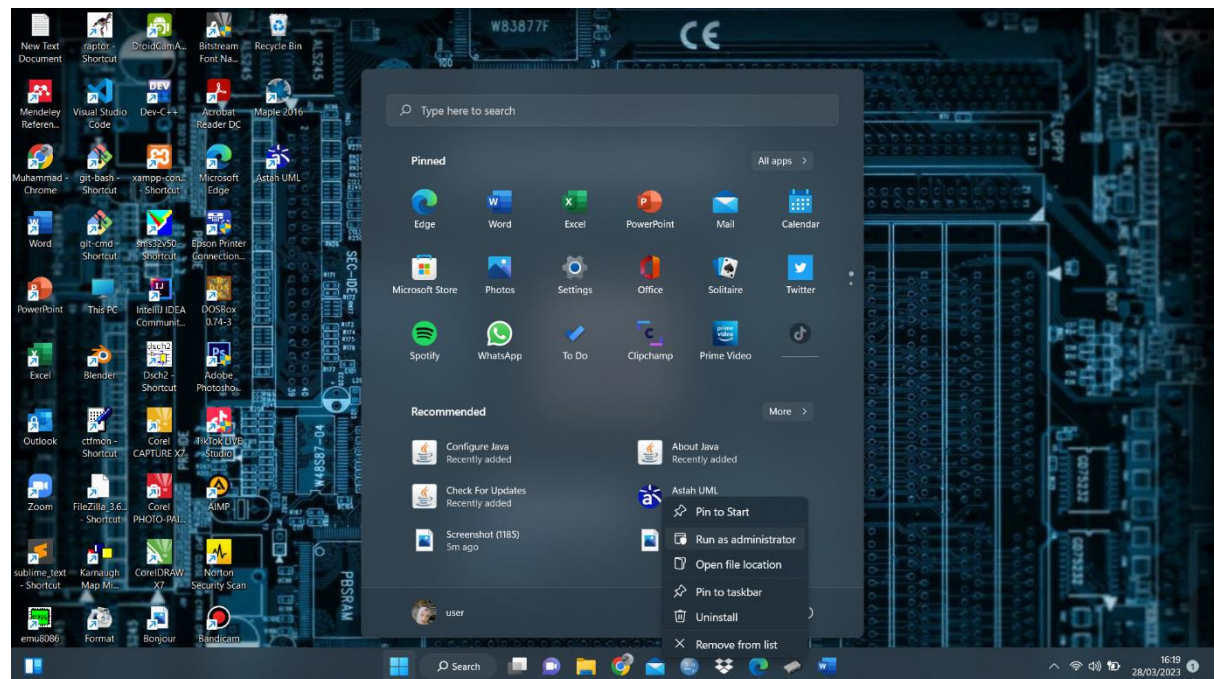

3. Setelah itu mengisi bagian form dan pastikan memakai domain email universitas, setelah mengisi form klik Apply Now

The screenshot shows the 'Get a free student license' page on the Astah UML website. The page has a header with the Astah logo and navigation links: About, Who We Serve, Products, Pricing, Support, and Downloads. The main content area is titled 'Get a free student license' and includes a sub-header 'Students who have an academic email address are eligible to receive a FREE license for Astah UML.' Below this, there are three bullet points: 'This is for a single student's personal use only.', 'Instructors and teachers cannot use this student license.', and 'Instructors and teachers should purchase an academic license.' A red text block states: 'We no longer accept applications with attachment files. This change had to be made due to a high number of dishonest applications. Please ask your teacher to purchase a site-wide license.' At the bottom left, a small text block says: 'By completing this form, you agree that you've read and agree to the Privacy Policy and consent to having Change Vision, Inc collect and store your information.' The form itself is on the right side and includes fields for 'Academic Email Address\*' (muhammad2100018291@webmail.uad.ac.id), 'School name\*' (Universitas Ahmad Dahlan), 'First name\*' (Muhammad Fadri), and 'Last name\*' (Ali). There are two checkboxes: 'I confirm that I entered my information correctly and I am a student at the school I entered above.' and 'I understand that fraudulent applications will result in permanent ineligibility to obtain a free student license.' Both are checked. An 'Apply now' button is at the bottom right.

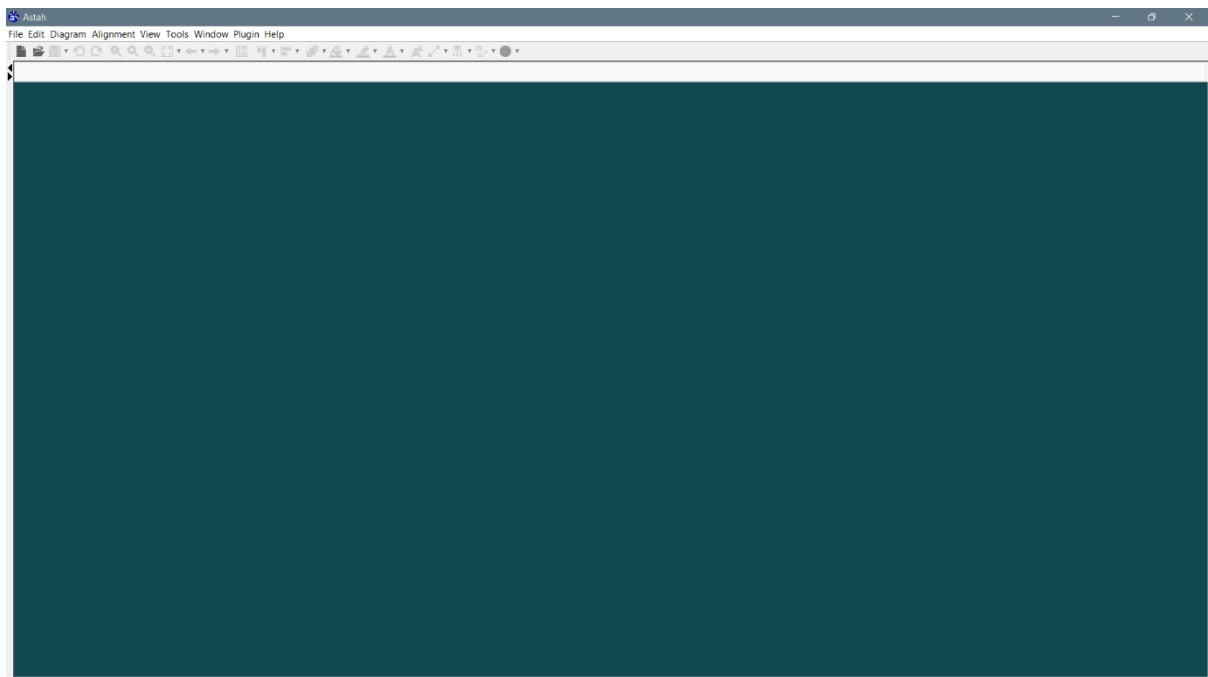

4. Setelah itu klik link untuk download aplikasi astah anda dan pilih sesuai versi laptop atau computer yang anda gunakan

The screenshot shows the 'How to set license' page on the Astah UML website. The page has a header with the Astah logo and navigation links: About, Who We Serve, Products, Pricing, Support, and Downloads. The main content area is titled 'How to set license' and includes a sub-header 'This page shows you how to set up your student license to Astah.' Below this, there are two paragraphs: 'If you already have applied for a free student license, please download Astah UML while you are waiting for your license to be delivered via email.' and 'If you do not have a free student license yet, please apply from this form.' The page also includes a section titled 'How to set license' with two steps: '1. Download Astah UML.' and '2. Launch Astah UML. If you are on Windows, run it as Administrator.' Below the steps, there is a screenshot of a Windows file explorer showing the 'astah UML' folder. The folder contains 'astah UML', 'Reference Manual', and 'Uninstall'. A context menu is open over the 'astah UML' file, showing options: 'Pin to Start', 'More', 'Pin to taskbar', 'Run as administrator' (highlighted with a red circle), and 'Open file location'.

5. Setelah itu buka windows dan ketik astah.uml klik kanan pilih run administrator

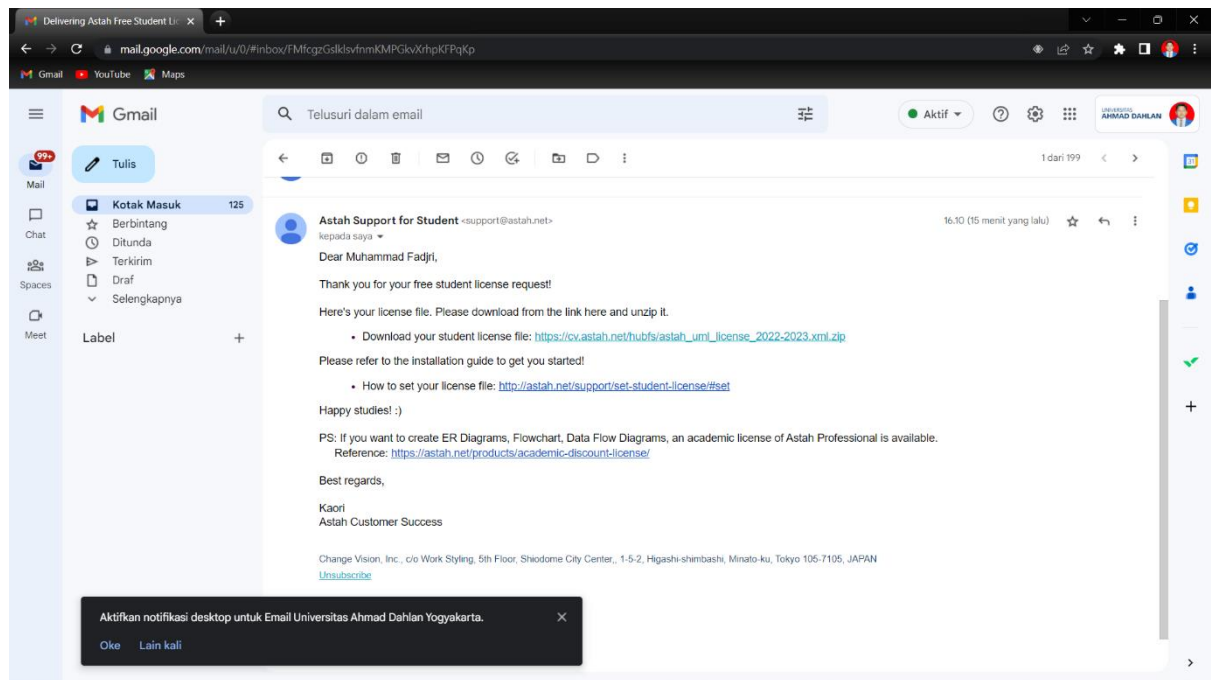

6. Ikuti perintah instal dan aplikasi anda siap digunakan

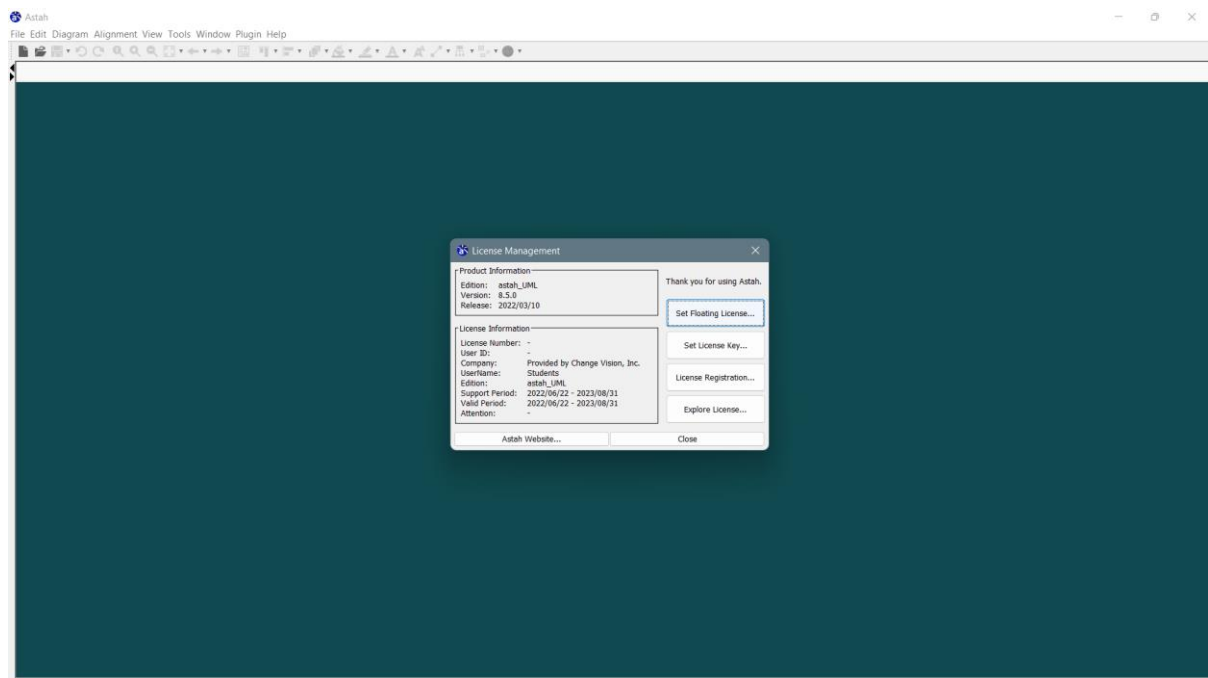

7. Untuk melakukan aktivasi license khusus pelajar klik link <http://astah.net/student-license-request>
